

# Free Flatwork Clinic

Equine Excellence is pleased to offer a 'FREE' introductory clinic (auditors welcome) hosted by Samantha Lacey BHSII on Sunday 8<sup>th</sup> March 2009. This clinic will be the first of many flatwork clinics Sam will be hosting throughout the province but needless to say – the only FREE one!

Through the use of flat work exercises, (lunge lessons available on request), pole-work, body awareness training and motivational techniques, clinic participants should expect to develop an improvement in their ability to influence their horse and an enhancement of their horse's way of going.

Clinic time slots will be awarded on a lottery basis and interested participants are asked to email [sam\\_darren\\_lacey@yahoo.ca](mailto:sam_darren_lacey@yahoo.ca) giving a short biography of both themselves and their horses. Every effort will be made to try and accommodate potential participants, which may lead to some riders being grouped together (no more than 3 riders per group).

Overnight stabling is available at a cost of \$10 per day – Contact Lisa Tulk at Equine Excellence for further information.
