Dr. Vanessa Churchill

After growing up in Newfoundland, Dr. Churchill graduated from the Nova Scotia Agricultural College with a BSc in Animal Science in 1998, an MSc in Animal Science in 2002, and the Atlantic Veterinary College with a Doctorate in Veterinary Medicine in 2004. She then completed a one year animal surgical internship at Virginia Tech after which she then moved to Tampa Bay, Florida and worked as an Ambulatory Emergency Veterinarian for an equine surgical referral hospital. She is the most recent addition to the team at Sackville Animal Hospital. She has a strong passion for equine medicine with special interests in emergency medicine and lameness as well as equine sports and wellness exams.

There will be a fee of \$10 to help cover the cost of rental of a projector and snacks. Any surplus will be donated to a local club or charity. Pre- registration would be appreciated by March 30th, 2008.
